

Gretta Weich

gretkatwei@gmail.com • (469) 307-9130 • Dallas, TX • [linkedin.com/in/gretta-weich](https://www.linkedin.com/in/gretta-weich)

Enthusiastic Computer Science student with a passion for software development and minoring in Graphic Design. Skilled in multiple coding languages, as well as the Adobe Creative Suite. Eager to apply technical skills, new technologies, and problem-solving abilities to contribute to a software engineering internship.

Experience

iD Tech, Houston, TX | Course Instructor | May 2024 - August 2024

- Taught Java coding skills to beginners, mostly in the form of Minecraft modding, resulting in a final project
- Managed behavior and oversaw groups of children ranging from second graders to incoming seniors

The Pines Catholic Camp, Big Sandy, TX | Counselor | May 2023 – August 2023, July 2024

- Supervised and provided support to a cabin of up to twelve girls, along with a co-counselor
- Provided spiritual guidance through discussions based on speaker talks and activities

SWAT (Servant with a Task) | July 2022 - August 2022

- Managed dining hall cleanliness, including dishwashing and table maintenance
- Served meals to a diverse group of over three hundred campers and staff
- Efficiently contributed to camp activities and assisted where necessary in a team of 22 to ensure camp ran smoothly

Organizations & Activities

tidalTAMU Hackathon | College Station, TX | November 2023

- Worked in a team to create a website estimating student grade based on statistics while gaining proficiency in HTML

St. Mary's Catholic Church, College Station, TX | Connect Retreat, Production Team | August 2023

- Managed music, slides, and video presentations for a retreat

Education

Texas A&M University

B.S. in Computer Science

Minor in Graphic Design

GPA: 3.8

Expected May 2026

Skills

Languages

Python, C++, Java, Scheme,
Assembly, HTML

Adobe Software

Photoshop, Illustrator, InDesign

Coursework

Data Structures & Algorithms
Program Design & Concepts
Computer Organization
Programming Languages
Discrete Structures for Computing

Honors

National Hispanic Scholarship

August 2022 – May 2026

Texas A&M Community Connection Scholarship

August 2022 – May 2023

Burger King Scholarship

August 2022 – May 2023
